Draft of a regulation for an Endorsement for Individual Intellectual Assessment.

1. Persons who hold provisional certification for guidance counselor may be issued an Endorsement for Individual Intellectual Assessment upon completion of an approved program of twelve (12) semester hours of coursework above the master's degree to include the following:
 - (a) A minimum of three (3) semester hours of graduate credit in basic testing and measurement concepts.
 - (b) A minimum of nine (9) semester hours of graduate credit above the master's program relating to assessment and intervention methods, six (6) of which must relate directly to the Individual Intellectual Assessment.
2. Beginning with the 1987-88 school year, all persons who administer individual intelligence tests shall hold the Endorsement for Intellectual Assessment.

Exceptions: _____

- (a) Individuals who have completed the master's degree program prior to September 1, 1987 will not be held to the requirement that nine (9) hours must be obtained above the master's degree level.
 - (b) Persons certified as guidance counselors who have been administering individual intelligence tests prior to the 1987-88 school year as attested by the local school superintendent may be issued a two (2) year extension during which they must successfully complete one of the two following options:
 - (1) show documentation that the 12 hours required in (1.) above has been met.
 - (2) show documentation that nine (9) hours of those required in (1.) above, plus 24 clock hours of individual assessment related training through Kentucky Instructional Leadership programs, have been completed.
3. The Endorsement for Intellectual Assessment shall be issued for a duration period of five years and may be renewed upon completion of 3 out of 5 years experience with administering, scoring, and interpreting individual Intellectual Assessment as part of their job function.
