

## Spring Training Save the Date!

*New this year... the same trainings offered in two locations!*

Eastern KY Training

Western KY Training

Wednesday, April 22<sup>nd</sup>, 2020

Thursday, April 23<sup>rd</sup>, 2020

Morehead, KY

Hopkinsville, KY

Morehead Conference Center

St. John's Methodist Church

Part of our mission as an organization is to provide school psychologists and association members high quality professional training to meet the needs of Kentucky school communities, including students, families, and staff. Offering 5 hours worth of continuing education at two ends of the state helps ensure that more individuals are able to receive the content they need to grow and develop. Four different sessions on four different topics will occur from 9:00-4:00pm at both locations with lunch on your own. Registration will be available soon! Fees will be \$50 for KAPS members, \$65 for non-members, and \$25 for an administrator that accompanies their school psychologist!

Though we have most of our topics already selected, if you have any suggestions for presenters for the spring training (or fall conference), please send them to [thomas.goble@scott.kyschools.us](mailto:thomas.goble@scott.kyschools.us).
